#### Footnotes:

- 1 Data previous to 1971 see table 32-10-0277.
- 2 Less than \$500 is reported as 0.
- 3 As of 2017, estimates for hog interprovincial export receipts and total hog receipts include PigTrace data.
- 4 Preliminary farm cash receipts estimates for potatoes are unreliable pending the availability of administrative data at the end of the crop year.
- 5 Source data for the value of greenhouse vegetables, on a crop year basis, are available in table 32-10-0456.
- 6 Includes mushroom receipts.
- 7 Source data for the value of field vegetables, on a crop year basis, are available in table 32-10-0365.
- 8 The category Total fresh fruit comprises receipts from the sale of numerous fresh fruits. Apples, blueberries, grapes, strawberries and cranberries are the major sub-components of fresh fruit. As of 2018, this category replaces the sub-categories Total tree fruits and Total small fruits.
- 9 The category total tree fruits comprises receipts from the sale of numerous tree fruits. Apples is one of the components of total tree fruits. As of 2018, this sub-category has been replaced with Total fresh fruit.
- 10 Prior to 2001, receipts from grapes and blueberries were included in Other berries and grapes. The categories Other berries and grapes and Strawberries, taken together, are equal to Total small fruits.
- 11 The category total small fruits comprises receipts from the sale of numerous small fruits. Blueberries, strawberries and grapes are the major sub-components of total small fruits. Cranberries were added to this table in 2007. As of 2018, this sub-category has been replaced with Total fresh fruit.
- 12 Source data for the value of floriculture and nursery products are derived from the annual Greenhouse, Sod and Nursery Survey. As of 2016, operations which exclusively produce tree seedlings for reforestation are outside the scope of the survey. Additionally, beginning in 2016, the floriculture products category includes field-grown cut flowers.
- 13 As of 1992, crop insurance payments no longer include payments under private hail insurance plans.
- 14 Generally, these are programs to deal with unusual climatic and/or economic conditions in the agriculture sector. Starting in 1999, payments under the Western Grain Stabilization, Tripartite Plans and the Gross Revenue Insurance Plan are included in other payments.
