

## TechNTalk Volunteer Application

TechNTalk is a series of digital literacy events for those 55 years and older across Prince Edward Island. These events will be held in **July and August** and aim to empower older adults with the fundamental skills needed to communicate effectively in today's digital world, while helping to reduce feelings of social isolation.

We need your help! Volunteering with the TechNTalk program is a great opportunity to learn from and engage with your community members, while practicing communication skills and making a lasting impact within your community.

Please complete this form and send it to [swheatley@ihis.org](mailto:swheatley@ihis.org).
