Project Proposal (1-2 pages)

Please use the topics listed below as the subject headings of your proposal.

Cover Page	Include the project title, expected start and end date of the project, and your contact information.
Executive Summary	Provide a summary of the operation and/or organization and conditions leading to this project. Outline what work is to be carried out, by whom, equipment involved, etc. Provide details on how completing the project will allow the farm to meet the commercial sales of \$20,000 annually or will improve the cost of production.
Project Objectives	Describe the issue your project is designed to address and the project's final objectives.
Timeline	Identify the project's major timelines and activities (including submission of final report), include a description of activities and the activity's start and end date.
Results	State the expected commercial and/or economic benefits to the agriculture industry in PEI. Also, please note if there are positive environmental impacts expected because of this project.
Sustainable CAP Outcome	The Future Farmer Program on-farm projects must contribute to one of the Sustainable CAP outcomes: (1) Improve Sector environmental performance, adaptation to climate change and reduction of GHG emissions; (2) Increase Sector capacity and growth across the entire agri-food value chain; (3) Enhance Sector resiliency, diversity, equity and inclusion, and public trust. Please describe how your project will positively contribute to one or more Sustainable CAP outcomes.
Budget	Identify total project costs and funding requested from the program.
Evaluation	How will you measure whether the project investments and activities achieved the objective of this project? How will you measure progress made toward achieving the project objective? How will you communicate the evaluation results?
Communication of Support (if applicable)	Please describe how you intend to recognize the support of the Department in communication material related to the project.
