

# PEI AgriStability Tax-Aligned Coverage Notice - 2025 Intended Productive Capacity Information

Complete only if you have opted for a tax-aligned reference margin.

Use this form to submit your current year's intended productive capacity in order to receive a coverage notice detailing your estimated tax-aligned reference margin and support level for the current program year. The information on this form is needed to determine if any structural change adjustments need to be applied to your reference margin and will only be used for the purposes of issuing you a coverage notice.

To receive a coverage notice, you must:

- be enrolled in AgriStability for the 2025 program year
- have opted for a tax-aligned reference margin by completing and submitting the 2025 AgriStability Tax-aligned Reference Margin Consent Form
- return this completed form by June 30, 2025

The Agricultural Insurance Corporation and Agriculture and Agri-Food Canada (AAFC) are committed to protecting the privacy of your information. The information on this form is collected under the authority of Section 4 of the Farm Income Protection Act (FIPA) and will be used exclusively for the purposes of: administering your participation in the AgriStability and AgriInvest programs; determining your eligibility for benefits; verifying the information submitted; issuing tax receipts; administering benefits under other farm income and special assistance programs; and for purposes of audit, analysis, and evaluation of the AgriStability and AgriInvest and other farm income and special assistance programs by the Administration, AAFC, the provincial or territorial governments or third parties engaged for that purpose.
