

CCBF - Notional Allocation Fund Disbursements

A portion of the Canada Community Building Fund (3.3%) is disbursed through the Notional Allocation Fund to incorporated municipalities that *do not* provide centralized water and/or sewer services. The Province administers this component of CCBF on a per capita basis.

**CCBF allocations are calculated over five-year intervals to allow for adjustments to be made according to new population census figures that become available.*

Ultimate Recipient	2024-29 Allocation
Alexandra	\$39,282
Annandale-L. Pond	\$34,762
Bedeque and Area	\$48,479
