Introduction

This directory has been prepared in order to provide families with basic information about licensed early learning and child care centres. The descriptions provided should help parents narrow down their choice of a centre with respect to location, suitable hours, age group served, etc.

Parents, however, are urged **not** to make a choice based solely on the information contained in this directory. It is extremely important to visit each potential centre in order to get a sense of the centre's atmosphere, meet the staff, see how they interact with the children, etc.

A Guide to Quality Childcare is available for parents. This guide provides parents with some questions to ask when selecting a centre for their child. For a copy of the guide, call the Early Childhood Development Association at (902) 368-1866 or go to the website at <https://www.ecdaofpei.ca>

Parents are encouraged to register as early as possible with the Early Learning and Child Care Registry. Signing up with the Registry gives you access to explore all licensed centres across Prince Edward Island. The sooner you begin your search for child care, the more options you will have. Please log on to the Registry at www.elccregistry.ca.

Introduction

Le présent répertoire a été préparé afin de donner des renseignements de base aux familles par rapport aux centres d'apprentissage et de garde des jeunes enfants accrédités. Les descriptions fournies devraient aider les parents à restreindre leur choix d'établissement par rapport au lieu, aux heures d'ouverture, aux groupes d'âge desservis, etc.

On encourage toutefois les parents à ne **pas** faire un choix fondé uniquement sur les renseignements contenus dans le présent répertoire. Il est très important de visiter chaque centre potentiel afin d'avoir un aperçu de l'atmosphère qui y règne, de rencontrer les membres du personnel, de voir comment ils interagissent avec les enfants, etc.

Le Guide de l'ADPE pour une garde d'enfants de qualité est à la disposition des parents. Ce guide leur offre des suggestions de questions à poser lorsqu'ils choisissent un centre pour leur enfant. Pour obtenir un exemplaire du guide, communiquez avec l'Association pour le développement de la petite enfance en composant le 902-368-1866 ou consultez le site <https://www.ecdaofpei.ca>

Les parents sont encouragés à s'inscrire le plus tôt possible auprès du Registre de l'apprentissage et de la garde des jeunes enfants. L'inscription au registre vous donne accès à tous les centres de l'Île-du-Prince-Édouard. Plus tôt vous commencerez votre recherche de garde d'enfants, plus vous aurez d'options. Veuillez vous connecter au registre à www.elccregistry.ca

Types of Centres

Early Childhood Centre: "...a facility whose primary objective is to provide an early childhood learning and development program emphasizing age-appropriate activities."

Preschool Centre: "...means a licensed centre where the operator is authorized to provide services for less than four consecutive hours per day to children who are three years of age or over but not yet attending school."

Family Home Centre: "...a facility in a private residence whose primary objective is to provide relatively informal care emphasizing family-oriented activities for children."

School-Age Child Centre: "...a facility that operates outside of school hours and provides a relatively unstructured program emphasizing supervision and recreation for school-age children."

Types de centres

Les centres de la petite enfance: “un établissement dont l’objectif principal est d’offrir un programme d’apprentissage et de développement de la petite enfance avec des activités adaptées à l’âge.”

Centre préscolaire: “... désigne un centre agréé où l’exploitant est autorisé à fournir des services pendant moins de quatre heures consécutives par jour aux enfants de trois ans ou plus mais qui ne fréquentent pas encore l’école.”

Centre de la famille: “un établissement situé dans une résidence privée dont l’objectif principal est de fournir une garde relativement informelle qui se concentre sur les activités d’enfants axées sur la famille”.

Centre d’âge scolaire: “un établissement opérant en dehors des heures de classe et proposant un programme relativement peu structuré dont l’objectif est de surveiller et de divertir les enfants d’âge scolaire.”

Early Learning and Childcare Centre Policies

Information regarding specific policies of licensed early learning and childcare centres have not been included in this directory. Parents are urged to discuss these matters with each centre being given their consideration.

In general, policies at early learning and child care centres tend to be fairly consistent. A parent could typically find the following:

- Payment is required for all statutory holidays.
- Payment is required for storm days.
- Payment is required for sick days; centres may negotiate an alternate arrangement in cases of extended sick leave.
- Two weeks' notice is required if a child is to withdraw from the centre; if notice is not given, payment of two weeks' tuition is required.
- Most licensed early childhood centres provide a publicly funded core fifteen (15) hour per week Pre-Kindergarten program.
- Parent fees are provincially regulated in Early Years Centres, Family Home Centres, while the fifteen (15) hour a week provincially funded Pre-Kindergarten program is offered at no charge to families.

Politiques du centre d'apprentissage et de garde des jeunes enfants

Les renseignements concernant les politiques spécifiques des centres d'apprentissage et de garde des jeunes enfants accrédités n'ont pas été inclus dans ce répertoire. On encourage les parents à en discuter avec chaque établissement considéré.

En général, les politiques des centres d'apprentissage et de garde des jeunes enfants ont tendance à être relativement semblables. Les parents peuvent s'attendre aux conditions suivantes:

- Le paiement est requis pour tous les jours fériés
- Le paiement est requis pour les journées de tempête
- Le paiement est requis pour les journées de maladie; les centres pourraient négocier une autre entente lorsqu'un enfant s'absente pour des raisons médicales pendant une période prolongée
- Un préavis de deux semaines est requis si un enfant ne va plus fréquenter un centre; en l'absence de préavis, un paiement de deux semaines est exigé.
- Les frais pour les parents sont réglementés par la province dans les centres de la petite enfance et les centres familiaux, tandis que le programme de prématernelle de quinze (15) heures par semaine financé par la province est offert sans frais aux familles.

Child Care Subsidy Program

The Child Care Subsidy Program (CCSP) is a provincial program designed to assist Island parents with the cost of child care services.

Eligibility

Eligibility for subsidy is determined based on the **financial** and **social** needs criteria of the program.

The CCSP is available for child care for children up to and including the **age of 12**.

Description

If an applicant is found eligible on the basis of social need, an income test, consisting of a review of liquid assets and financial eligibility, is completed by the Department. The applicant's adjusted net income and number of persons in the family group will be considered to determine eligibility and parent share.

How much will I have to pay?

The Department will pay the per diem rate established by the Child Care Centre up to the maximum allowed per age group and type of care, less any fee paid directly to the child care provider. The parent will be responsible for paying any difference between the actual cost of your child care and the subsidy amount approved.

Programme de subvention pour la garde d'enfants

Le Programme de subvention pour la garde d'enfants est un programme provincial conçu pour aider les parents insulaires à couvrir leurs dépenses en services de garde d'enfants.

Admissibilité

Pour bénéficier d'une subvention, il faut répondre aux critères du programme en matière de besoins **financiers** et **sociaux**.

Le programme s'adresse aux parents d'enfants de **12 ans** et moins.

Description

Si un demandeur est jugé admissible en raison de ses besoins sociaux, une évaluation du revenu, qui consiste en un examen des liquidités et de l'admissibilité financière, est effectuée par le ministère. Le revenu net rajusté du demandeur et le nombre de personnes dans le groupe familial seront pris en compte pour déterminer l'admissibilité et la part des parents.

Combien devrai-je payer?

Le ministère payera le tarif journalier fixé par le centre de la petite enfance selon le maximum permis pour le groupe d'âge et le type de garde, moins les frais payés directement au fournisseur de services de garde. Le parent doit payer la différence entre le coût des services de garde et le montant de la subvention accordée.
