DISPLAY OF 2018 IFTA DECALS

Recently, IFTA has made a change to the period in which IFTA carriers can display their new IFTA credentials (license and decals). In the past, IFTA carriers could not display decals for the renewing year earlier than the month prior to the credentials becoming effective. With the change that was made, IFTA carriers may now display their credentials (license and decals) for a period of two months prior to the effective date shown on the credentials.

As a result, IFTA carriers on Prince Edward Island who have been issued an IFTA license for 2018 may now begin displaying their 2018 IFTA decals in November 2017.

Please Note:

IFTA carriers are still responsible for filing a 2017 fourth quarter report for all activity that occurs in the fourth quarter of 2017.
