

welcome to MONTAGUE REGIONAL HIGH SCHOOL

Grades: 10-12
Population: 428

INTRODUCTION

Montague Regional High School is located in Montague, Prince Edward Island. As a Regional High School, our population is comprised of students from the south eastern corner of Prince Edward Island. Geographically, we are close to all of the amenities and services in the town of Montague, while at the same time being only a short distance to numerous beaches and natural areas. Our school property is surrounded by a large green space, and is within walking distance to the local rink. Constructed in 2010, this school is considered to be one of the most modern schools in Atlantic Canada. It is a model for trades in the province, and has state of the art career and technical education training facilities.

SCHOOL MISSION/ PHILOSOPHY

Education is preparation for life and a responsibility shared by the home, the school, and the community. We, at Montague Regional High, believe that students, staff, and the parents/guardians are committed to a partnership in educational excellence. This commitment must be nurtured by mutual respect, open communication, and effective organization in a positive school climate and safe environment.
