REGULATIONS
AMENDMENT**

(Approved by Her Honour the Lieutenant Governor in Council dated 25 March 2008.)

Pursuant to section 28 of the *Revenue Administration Act* R.S.P.E.I. 1988, Cap. R-13.2, Council made the following regulations:

1. Section 8.1 of the *Revenue Administration Act* Regulations (EC390/91) is revoked and the following substituted:

Rebate of tax by
vendor in respect of
bad debt

8.1 (1) The Minister may, in accordance with this section, rebate tax to a vendor that the vendor remitted to the Minister in respect of a sale of goods by the vendor to a purchaser if the Minister is satisfied that

- (a) the vendor has given credit to the purchaser with respect to the sale of goods, together with revenue tax payable by the purchaser;
- (b) the purchaser has defaulted in the payment to the vendor of all or part of the amount payable to the vendor in respect of the sale;
- (c) the vendor has written off as a bad debt in the vendor's books of account the unpaid amount payable to the vendor in respect of the sale; and
- (d) the write-off of the unpaid amount payable to the vendor as a bad debt is in accordance with generally accepted accounting principles, as recognized by the Canadian Institute of Chartered Accountants, applicable at the time of the write-off.

Circumstances in
which rebate may
not be payable

(2) Notwithstanding subsection (1), no rebate of tax shall be made to a vendor under this section in respect of an unpaid amount payable to the vendor if

- (a) the vendor does not claim the rebate within four years from the effective date of the vendor's write-off of the unpaid amount as a bad debt;
- (b) the vendor is entitled to offset the unpaid amount against an amount payable by the vendor to the purchaser;
- (c) the vendor has assigned, without recourse and for consideration, other than for security purposes, part or all of the unpaid amount; or
- (d) the payment for the purchase was made through the use of a credit card that is not issued by the vendor.

Calculation of
rebate

(3) The tax that may be rebated to a vendor under this section shall be determined in accordance with the following formula:

$$\text{Rebate} = A \times B/C$$

where,

A is the tax remitted by the vendor with respect to the sale of goods to the purchaser;

B is the unpaid amount payable to the vendor less all amounts, if any, required by subsection (4) to be deducted from the unpaid amount for the purposes of determining the amount of the rebate of tax under this section; and

C is the total amount that was payable in respect of the sale, including any federal excise and sales taxes and the amount of tax imposed by the Act.

(4) For the purposes of determining the amount of a rebate of tax under this section in respect of an unpaid amount payable to a vendor, the following amounts, to the extent they are applicable, shall be deducted from the unpaid amount:

Deductions from
unpaid amount

- (a) all interest, finance, carrying, collection or similar charges imposed by the vendor with respect to the sale, except to the extent the charges form part of the fair value of the goods sold by the vendor for the purposes of determining the amount of tax payable under the Act in respect of the sale;
- (b) all proceeds of sale received by the vendor on any repossession and resale of the property on account of the unpaid amount;
- (c) all amounts received by the vendor on the realization of any security given to secure the unpaid amount payable to the vendor;
- (d) if the goods sold by the vendor to the purchaser are repossessed and leased by the vendor or are taken out of inventory and used by the vendor or by others at the vendor's expense, the fair value of the goods at the time of the leasing or change in use.

(5) The following rules apply for the purposes of claiming a rebate of tax under this section:

Rules governing
claims for rebate

- (a) the vendor may claim only one rebate under this section in respect of a sale;
- (b) the vendor may claim the rebate by making an adjustment to the vendor's tax liability account for the amount of the rebate claimed;
- (c) the vendor shall make only one adjustment to the vendor's tax liability account during any 12-month period for all claims for rebate of tax under this section, unless the vendor has applied in writing to the Commissioner for consent to make an additional adjustment and the Commissioner has consented to the making of the additional adjustment to the account;
- (d) the vendor shall retain in the vendor's records sufficient information and documentation to permit the verification to the satisfaction of the Commissioner of the correct amount of the tax rebate.

(6) If, after claiming a rebate of tax under this section, a vendor recovers from any person or through any means, other than a rebate under this section, any of the unpaid amount payable to the vendor in respect of which the rebate of tax was claimed, the vendor shall repay to the Minister by way of adjustment to the vendor's tax liability account the same percentage of the rebate made under this section that the

Idem

(7) For the purposes of subsection (6), the repossession of goods and the sale or use by the vendor or by others at the vendor’s expense of the repossessed goods shall be considered to be a recovery of part or all of the unpaid amount payable to the vendor in respect of the sale of the goods to the extent of the lesser of the unpaid amount and,

(a) the proceeds from the sale, if the repossessed goods are the subject of a resale; or

(b) the fair value of the goods if the repossessed goods are used by the vendor or by others at the vendor’s expense.

2. These regulations come into force on April 5, 2008.

EXPLANATORY NOTES

SECTION 1 authorizes the Minister to rebate tax to a vendor that the vendor has remitted to the Minister in respect of a bad debt arising from a sale of goods that the vendor has written off.

This section revises the current bad debt provisions in the regulations to provide simpler and fairer rules for vendors when calculating and obtaining such rebates.

The new subsections 8.1(1) to (4) provide a clearer description of what is a bad debt. The new amendments also drop a current restriction on a vendor’s ability to claim a rebate in respect of bad debts on sales made to a customer more than 180 days prior to the last credit sale to that customer.

The new subsection 8.1(5) provides clearer direction on how a rebate is claimed. This subsection also allows the vendor to save time by deducting the amount of the rebate from the vendor’s tax liability account without filing a rebate claim form with the Department.

Subsections 8.1(6) and (7) clarify what constitutes a recovery of bad debts and the calculation of the rebate repayment resulting from a recovery of bad debts.

SECTION 2 provides for the commencement of these regulations.
