**SCHOOL ACT

AMENDMENT**

(Approved by Her Honour the Lieutenant Governor in Council dated 11 August 2009.)

Pursuant to section 147 of the *School Act* R.S.P.E.I. 1988, Cap. S-2.1, Council made the following regulations:

**1. Section 8 of the *School Act* Student Transportation Regulations (EC485/98) is revoked and the following substituted:**

**8.** Having regard to the paramount concern of student safety and the medically recognized physical effects of ageing and of certain medical conditions on all school bus drivers, the following are occupational requirements for all school bus drivers, who shall

- (a) be under 60 years of age when they are first hired by a school board;
- (b) be permitted by the school board that employs them to be employed to the end of the month in which they reach 65 years of age; and
- (c) be free of any physical or mental condition or handicap that would, in the opinion of the school board that employs them, reduce the margin of safety required for the transportation of students.

**2. The regulations are amended by the addition of the following after section 26:**

**26.1** (1) In this section, “model year”, in respect of a school bus, means the model year designated by the manufacturer of the school bus or, if there is no such designation, the calendar year in which the manufacture of the school bus is completed.

(2) For the purposes of these regulations, the age of a school bus shall be determined by measuring its age from the model year of the school bus to September 1st of the school year in which the school bus is used.

(3) Subject to subsection (4), every school board shall ensure that any school bus used by the school board for the transportation of students does not exceed 11 years of age.

(4) A school board may use a school bus that exceeds 11 years of age for the transportation of students if the school bus does not exceed 13 years of age and the school bus is used

- (a) for an extra-curricular or co-curricular activity; or
- (b) as a temporary bus to replace another school bus that

- (i) is taken out of service by a school board for the purposes of repairs, maintenance or an inspection, or
- (ii) is being used for an extra-curricular or co-curricular activity.

**3. Section 33 of the regulations is amended**

**(a) in subsection (1), by the deletion of the words “one million dollars” and the substitution of the words “two million dollars”; and**

**(b) in subsection (2), by the deletion of the words “and shall have the Minister named as an additional insured”.**

**4. These regulations come into force on September 1, 2009.**

**EXPLANATORY NOTES**

**SECTION 1** outlines the occupational requirements for all school bus drivers who are under 60 years of age when they are first hired by a school board and who are permitted to be employed to the end of the month in which they reach 65 years of age.

**SECTION 2** provides for the age of school buses used for the transportation of students.

The provision provides that every school board shall ensure that school buses used for the transportation of students do not exceed 11 years. The age of a school bus will be determined by measuring its age from the model year of the school bus to September 1st of the school year in which the bus is used.

The provision also provides for the use of a school bus that exceeds 11 years of age but does not exceed 13 years of age where the school bus is used to replace a bus where a bus is taken out of service by a school board for the purposes of repairs, maintenance or an inspection or is being used for an extra-curricular or co-curricular activity.

**SECTION 3** increases the amount of liability insurance required by contractors. The Minister is removed as an additional insured since naming the Minister as an insured makes compliance difficult by insurance companies.

**SECTION 4** provides for the commencement of these regulations.
