SECTION 1 removes the words “non-teaching instructional licenses” from the regulations as these types of licenses are no longer needed under the regulations.

SECTION 2 repeals a section of the regulations that refers to language no longer used relating to instructional licenses and provides that a person shall apply to the Minister for an instructional license in the manner and form required by the Minister.

SECTION 3 provides the administrative functions that a Minister may perform in relation to the issuance of an instructional license, subject to the recommendations of the Certification and Standards Board as approved or varied by the Minister under section 11 of the Act.

SECTION 4 revokes section 6 of the regulations as it provides for a type of license that is no longer used, and substitutes a new regulation at section 6 providing for the Minister’s ability to assign new qualification levels for a teacher’s instructional license based on the teacher obtaining additional qualifications.

SECTION 5 provides that instructional licenses issued under the Act are permanent and remain in force unless suspended or revoked by the Minister under the Act.

SECTION 6 revokes sections 8 through 14 of the regulations as they provide for types of licenses that are no longer used or cover subjects already addressed elsewhere in the regulations. The section also adds in two new sections. One section provides a transitional provision that deems the holder of an interim instructional license before the regulation comes into force is deemed to hold a permanent instructional license of the same category and qualification level under this regulation. The other section provides for the Minister to issue a Statement of Professional Standing indicating the status of a teacher’s instructional license to a teacher.

SECTION 7 provides that a person shall apply to the Minister for an authorization to substitute for a teacher in the manner and form required by the Minister and outlines the term and expiry of those authorizations.

SECTION 8 replaces subsections of the regulations as the current subsections refer to certain decisions of the Registrar, which are not included in these regulations. The regulations now refer to the review of a decision of the Minister to assign new qualification levels to teachers’ licenses, and the sections are amended to reflect the change.

SECTION 9 prescribes fees for services and documents provided under the Act and the regulations and outlines to whom they are payable and to be paid.

SECTION 10 provides for the commencement of these regulations.

SECTION 4 amends an offence provision to provide that no person shall set a trap for, or attempt to trap, racoon in places frequented by mink or muskrat by the use of traps set in water, except during the open season for mink or muskrat.

SECTION 5 amends the Schedule to reflect the most recent trap certification list pertaining to the list of approved body-gripping traps approved for use as killing traps for beaver, muskrat and raccoon in the province.
