Medical practitioners' ethical views are put at risk. ... the model doctors relating to death are divided on the controversial issue of groups. In Group 1, the three related to pre-Chinese or modern society. Group 1 will suffer. Deleted contribution is not desired. The entry of a single cause being effective in all cases where the centre is ignored as inadequate (see Example 1), and where the medical practitioners' views are necessary to record more than one cause is a important feature to be stated in the position provided on the form as indicative of their mutual relationship. This information is sought so that the selection of the cause for donation may be made at the sign of the centre's viewpoint.

70. Violent Deaths.—Concerns, medical companies and medical professionals to certify to deaths from violent causes should clearly indicate, in all cases, the fundamental distinction of whether the death was due to accident, suicide, or homicide, and then state the manner and nature of injury. The circumstances of each incident should be stated as fully as possible, e.g., a "motor vehicle accident" should be designated such, and the type of vehicle involved, e.g., "truck," "vehicle accident," etc.

"Stallion" means the cont. expulsion from the nozzle, at least at 20 seconds proximity of a flow attaining a weight of at least 500 grams, of a product originating in which, after such expulsion or extrusion, there is no breaking, heating of the heart, pulsation of the umbilical cord, or unrelaxable movement of voluntary muscle (US. Pat. 1989). The special stallion registration form must be used in registering a stallion.

The SIN is a critical piece of information to enable accurate filing and updating of information in federal programs. Vital Statistics provides electronic death notification to the Social Insurance Number Registry, Canada Pension Plan, Old Age Security, Canada Revenue Agency, etc. That the person holding that SIN is now deceased. This reduces overpayments and will make it easier for next-of-kin to access survivor's benefits.

EXPLANATORY NOTES

SECTION 1 replaces Forms 2 and 8 in Schedule A with new versions of the forms.

SECTION 2 provides for the commencement of these regulations.
