It amends the definition of “inspection” to refer to periodic or salvage vehicle inspections and amends the definition of “periodic inspection” to more clearly define it and to distinguish it from a salvage vehicle inspection. **SECTION 2** replaces references to “Supervisor” with “Registrar” throughout the Act.

**SECTION 3** corrects a spelling error.

**SECTION 4** changes requirements that a vehicle “be inspected” to requirements that the vehicle “pass a periodic inspection”. It removes an unenforceable requirement that vehicles exempt from a periodic inspection comply with a certain part of the Act. It also makes other minor wording changes.

**SECTION 9** revokes a license condition that an official inspection station be open at least eight hours each day and four days each week year round. It adds a provision requiring the Registrar to indicate on the license for an official inspection station the type of vehicle that it is authorized to provide inspections for. It also adds a provision prohibiting a person from inspecting and owners or lessees from permitting the inspection of a vehicle at an official inspection station where the station is not authorized to provide inspections for that type of vehicle. It also corrects a spelling error.

**SECTION 10** adds a provision listing the requirements for an official inspection station to be authorized for the inspection of salvage vehicles. It also makes minor wording changes and corrects a spelling error.

**SECTION 11** adds a new license classification and qualifications required for an authorized inspection mechanic to be authorized to inspect salvage vehicles. It also prohibits an authorized inspection mechanic from inspecting vehicles other than those he or she has the qualifications and license classification to inspect.

**SECTION 12** updates a Department name and adds the trade of Motor Vehicle Body Repair to those a person may be certified in to qualify as an authorized inspection mechanic.

**SECTION 13** changes “Director” to “Registrar”, as it is the Registrar who is responsible for the licensing of authorized inspection mechanics.

**SECTION 14** clarifies that the inspection referred to is a periodic inspection.

**SECTION 15** unfetters the discretion of the Registrar regarding a decision to suspend or terminate a license.

**SECTION 16** provides for a minimum fine of \$100 and a maximum fine of \$500 for committing an offence under the Act.
