## SCHEDULE

### SCHEDULE A – BEE DISEASES

1. Infestation by any of the following parasites is a Class A Disease:
  - (a) honey bee tracheal mite;
  - (b) small hive beetle.
2. Infestation by any of the following parasites is a Class B Disease:
  - (a) Varroa mite;
  - (b) American foul brood.

### EXPLANATORY NOTES

**SECTION 1** amends the definitions of “bee”, “beekeeper”, “Class A disease”, “Class B disease” and “genetic material”. It adds a definition for “honey bee”, “motor vehicle” and “restricted bees”. It repeals definitions for “quarantine area”, “quarantine order” and “vehicle”, as these are addressed or defined in the Act. It also designates Class A and Class B diseases as named diseases under the Act.

**SECTION 2** clarifies the purpose of these regulations.

**SECTION 3** revokes a provision regarding the appointment of inspectors that is already provided for in the Act.

**SECTION 4** provides inspectors with inspection powers for the purposes of ascertaining the existence of restricted bees in the province. These inspection powers are equivalent to those set out in the Act for the purposes of ascertaining the existence of named diseases, which include Class A and Class B bee diseases.

**SECTION 5** prohibits the transportation of restricted bees into the province. It also requires persons transporting honey bees into the province to ensure that such honey bees do not come into contact with other bees during transport.

**SECTION 6** prohibits persons from transporting honey bees into the province without a bee health certificate and requires the provincial apiarist to issue a bee health certificate with respect to honey bees being imported, upon receiving specified documentation. Where the honey bees are being imported from another province, the documentation must confirm that the honey bees being imported were treated to reduce or eliminate infestation by honey bee tracheal mites and that at least 10% of those being imported were inspected for infestation by small hive beetles. The section also provides for the provincial apiarist to make certain orders where the provincial apiarist knows or has reasonable grounds to believe that honey bees were transported into the province without a bee health certificate.

**SECTION 7** prohibits persons from transporting genetic material of a honey bee into the province without a genetic material health certificate and unless the genetic material is transported in the manner specified on the certificate. It requires the provincial apiarist to issue a genetic material health certificate upon receiving specified documentation. Where the genetic material of a honey bee is being imported from another province, the documentation must confirm that the genetic material of a honey bee being imported was treated to reduce or eliminate infestation by honey bee tracheal mites and that at least 10% of the genetic material being imported was inspected for infestation by small hive beetles. The section also provides for the provincial apiarist to make certain orders where the provincial apiarist knows or has reasonable grounds to believe that genetic material of a honey bee was transported into the province without a genetic material health certificate.

**SECTION 8** amends the name of a department and clarifies that provisions respecting inspection at a weigh station apply to persons transporting bees or bee equipment into the province by motor vehicle.

**SECTION 9** revokes sections providing for quarantine and related orders that are already provided for in the Act. It substitutes provisions that provide for orders to deal with restricted bees that are found or

believed to be present in the province. It also provides for the service of orders made under the regulations.

**SECTION 10** clarifies a reference to “brood diseases” as meaning “named diseases in honey bees”.

**SECTION 11** permits the Minister to post signs regarding the importation of genetic material, as well as bees and bee equipment.

**SECTION 12** revokes and substitutes a new Schedule A, clarifying that infestation by the named parasites constitutes a Class A or Class B disease.

**SECTION 13** provides for the commencement of these regulations.

**INNOVATION PEI ACT  
GENERAL REGULATIONS  
AMENDMENT**

(Approved by His Honour the Lieutenant Governor in Council dated April 16, 2013.)

Pursuant to section 21 of the *Innovation PEI Act* R.S.P.E.I. 1988, Cap. I-2.1, Council made the following regulations:

**1. Subsection 1(4) of the *Innovation PEI Act* General Regulations (EC562/09) is amended**

**(a) in clause (c), by the addition of the words “, including value-added food development and production” after the word “Processing”; and**

**(b) by the revocation of clause (d) and the substitution of the following:**

- (d) Tourism and Small Business;
- (e) Financial and Business Services.

**2. Subclause 9(3)(a)(i) of the regulations is amended by the deletion of the words “contrary of” and the substitution of the words “contrary to”.**

**3. These regulations come into force on April 27, 2013.**

**EXPLANATORY NOTES**

**SECTION 1** amends subsection 1(4) of the regulations to make it clear that Manufacturing and Processing, as an economic sector for the purposes of the Act, includes value-added food development and production, and to add a new economic sector, Financial and Business Services.

**SECTION 2** corrects a typographical error in subclause 9(3)(a)(i) of the regulations.

**SECTION 3** provides for the commencement of these regulations.
