SECTION 23 authorizes the Minister to correspond with and make inquiries of members of the legal profession and insurance companies and their agents respecting third party recovery of moneys in which the Minister has an interest under the Act.

SECTION 24 authorizes the Minister to provide payment under the Plan directly to an entitled person where the patient has been directly billed by the physician or practitioner who provided the basic health services. In that situation, the service provider is prohibited from charging the patient an amount for the service that is higher than that set out in the tariff, and the service provider is required to inform the patient in respect of the direct billing before rendering the service, provide the patient with an approved claim form containing the information required for the purposes of section 18, and provide the Minister specified information respecting the service rendered and the claim.

SECTION 25 authorizes a physician who wishes to participate in the Plan to apply to the Minister by providing the specified information. The application is then referred to the Planning Committee for its assessment and recommendation to the Minister. The Minister, taking into account the Planning Committee's recommendation, decides whether to admit and register the applicant. If the Minister decides to register the applicant, the Minister shall also record any conditions pursuant to subsection 8(4) of the Act on the applicant's participation, issue a written authorization to the applicant that includes any applicable conditions on participation, and inform the Department and the Planning Committee of the decision. Where the Minister rejects an application, the Minister is required to advise the applicant of the decision and the reasons for it and to inform the Department and the Planning Committee of the decision.

SECTION 26 requires a person who has been admitted as a participant in the Plan to inform the Minister of any change of circumstances that would affect the person's participation, such as change of location or type of practice.

SECTION 27 requires a participant in the Plan to provide at least 30 days' notice to the Minister of the participant's intention to stop participating in the Plan. On receiving this notice, the Minister shall set the date on which participation ceases and suspend or revoke the participant's authorization accordingly, advise the Department and the Planning Committee, and inform the participant of the rules governing readmission to participation. Also, the Minister may withhold for up to 90 days a sum not exceeding 15% of existing outstanding claims in order to enable adjustments to be made with respect to any overpayment. The section also authorizes the Minister to provide financial or other incentives to a physician who is considering withdrawal from the Plan, for the purpose of implementing the strategy adopted under section 2.1 of the Act.

SECTION 28 requires a participant in the Plan to provide notice to the Minister if the participant expects to be or has been inactive for a period of more than 90 days. The section also provides that the Minister may authorize a physician or practitioner to take a temporary leave of absence of up to one year, and requires a physician or practitioner who is on a temporary leave of absence to give 30 days' notice to the Minister of his or her resumption of status as a participant. If a physician or practitioner does not return to service on the expiry of a leave of absence and does not make an arrangement with the Minister for an extension, the Minister may cancel his or her authorization as a participant.

SECTION 29 authorizes the Minister to issue a temporary authorization, with or without conditions attached to it, for a specified period of up to one year to enable a physician or practitioner to substitute for a

participating service provider or in other circumstances where the Minister considers a temporary authorization appropriate.

SECTION 30 provides that a physician or practitioner who has ceased to participate in the Plan may reapply for admission to it.

SECTION 31 authorizes the Minister to impose conditions on an authorization or suspend or cancel an authorization in the circumstances set out in subsection (1), including where

- disciplinary action is taken against a physician or practitioner by that person's professional regulatory body,
- a physician or practitioner has been convicted of an offence that in the Minister's opinion affects the person's suitability to participate in the Plan,
- a physician or practitioner has willfully made a false representation with respect to a claim,
- a physician or practitioner has not submitted a claim or otherwise participated in the Plan for over 90 days and has not given notice to the Minister of intended inactivity or requested a temporary leave of absence, or
- a physician or practitioner has contravened a provision of the Act or the regulations.

The section further requires the Minister to give notice of the Minister's intention to take action under subsection (1) to the physician or practitioner and provide the physician or practitioner an opportunity to be heard before taking any action.

SECTION 32 establishes that payments under the Plan for medical services shall be made by the Minister in accordance with the Tariff of Fees for Medical Services set by the Minister after consultation with the Medical Society and any other formal agreement between the Minister and the Medical Society respecting payments for medical services. The section also clarifies that the Tariff, in addition to setting standard categories and rates for basic health services, may also set variable rates, conditions and manners of payment based on factors set out in subsection 14(3) of the Act.

SECTION 33 establishes that payments under the Plan for dental services that are included in basic health services as set out in the Schedules shall be made by the Minister in accordance with the Tariff of Fees for Dental Services set by the Minister after consultation with the Dental Association of Prince Edward Island and any other formal agreement between the Minister and the dental Association respecting payments for dental services.

SECTION 34 clarifies that the amount of money available for payments for medical or dental services is subject to the *Public Sector Pay Reduction Act* and other applicable expenditure-control legislation.

SECTION 35 establishes that a dentist is a practitioner as defined in clause 1(j) of the Act and may provide the basic health services set out in the Schedules in accordance with the regulations.

SECTION 36 provides that anaesthetic and other hospital costs associated with dental services provided in a hospital by a practitioner are covered under the Plan only

- if the dental service is set out in Schedule A or B, or
- for a dental service not set out in Schedule A or B, where the service has been approved in advance by the Minister.

The section further clarifies that “practitioner”, for the purposes of subsection (1), means an oral and maxillofacial surgeon.

SECTION 37 defines “contract” and “insurer” for the purposes of the section, and provides that an insurer shall not make or renew or make payment under a contract under which an entitled person is to be provided with, or to be reimbursed or indemnified for, all or part of the cost of a basic health service, except for a contract that covers a person for the cost of basic health services for the first two months after the person takes up residence in Prince Edward Island. An insurer may make or renew or make payment under a contract under which an entitled person is to be provided with, or to be reimbursed or indemnified for, all or part of the cost of a health service other than a basic health service.

SECTION 38 authorizes the Minister to disclose information obtained in the administration of the Act

- in connection with the administration of the *Workers Compensation Act*; and
- to surveyors authorized by the Canadian Council on health Services for the purpose of carrying out an accreditation survey.

The section also authorizes the Minister to provide access to the electronic information maintained in the claims processing system to persons responsible for the implementation, support, maintenance and development of the system.

SECTION 39 requires the provision of the following information to the Minister for the purposes of subsection 22(3) of the Act:

- copies of the pleadings of all of the parties,
- a copy of the memorandum of settlement or judgment, as the case may be,

- the amount claimed as the cost of basic health services, if not specified in the pleadings, and
- the amount payable to the Minister.

The section further provides that, for the purposes of subsection 22(14) of the Act, the payment of recovery fees shall be as follows:

- 15% on the first \$5000 or less that is recovered,
- 10% on the next \$10,000 that is recovered, and
- 5% on the amount recovered in excess of \$15,000.

SECTION 40 revokes the *Health Services Payment Act* Regulations (EC453/96).

SECTION 41 provides for the commencement of these regulations.

EXPLANATORY NOTES

SECTIONS 1 and 2 amend various provisions of the regulations to replace references to the Atlantic Provinces Board of Examiners for Land Surveyors with references to the Canada Board of Examiners for Land Surveyors.

SECTION 3 clarifies that a provision of the regulations, which lists certain requirements to be met by an applicant for a certificate of qualification, sets out the examination requirements referred to in the Act. Currently the provision only expressly states that it sets out the educational requirements referred to in the Act.

This section also exempts a person who applies for a certificate of qualification from a requirement for certain surveyor training if the person holds a license from the Association of Canada Land Surveyors.

SECTION 4 amends a provision of the regulations respecting the educational, competency and examination requirements that pertain to out of province applicants for a certificate of qualification.

This section expands the scope of the provision being amended. Currently, the provision applies only to persons who hold a license from another province or territory. The amendment will ensure that the provision also applies to persons who hold a license from the Association of Canada Land Surveyors.

In addition, this section also requires out of province applicants to successfully complete an examination in respect of the laws relating to land surveying in the province.

SECTION 5 amends a provision of the regulations to replace references to the Atlantic Provinces Board of Examiners for Land Surveyors with references to the Canada Board of Examiners for Land Surveyors.

SECTION 6 provides for the commencement of these regulations.
