#### EXPLANATORY NOTES

**SECTION 1** amends section 1 of the regulations by adding a new clause (v) to establish a definition of “therapeutic product”, which refers to the definition of therapeutic product in the *Food and Drugs Act* (Canada).

**SECTION 2** amends clauses 4(2)(e) and (3)(e) of the regulations to correct a section reference. The section amends subsection 4(3) to require an applicant to either establish to the satisfaction of the Registrar that he or she has reasonable proficiency in written and spoken English or meet the English proficiency requirements established by NAPRA. It also amends subsection 4(4) to add a new clause (d.1) that requires an applicant who is transferring here from another jurisdiction to provide evidence satisfactory to the Registrar that he or she has not been convicted of an offence or subject to professional discipline in that other jurisdiction in respect of a matter that in the opinion of the Registrar makes the applicant unsuitable to practice pharmacy in this jurisdiction. This is the same requirement that must be met by applicants from within the province.

**SECTION 3** amends clause 5(1)(a) of the regulations to clarify that the practice experience referred to there must meet the requirements of clause 17(2)(b) of the regulations.

**SECTION 4** amends section 6 of the regulations to clarify in clause (a) that “providing pharmacy services to the public” includes providing information or education to patient representatives as well as to patients

directly. It also adds a new clause (h) to the section that authorizes a pharmacist registered in Part A of the pharmacists register to provide patient-specific advice about a therapeutic product to a health care provider.

**SECTION 5** amends clause 7(1)(f) of the regulations to correct a section reference.

**SECTION 6** amends subsection 9(3) of the regulations by revoking clause (a) and substituting the content of the former subclause (a)(i) as clause (a), thus removing an option in the former subclause (a)(ii) to meet a NAPRA standard that no longer exists. The section also amends clause 9(3)(c) to add an optional qualifying period of 600 hours in the three years immediately preceding the application for renewal in Part A of the pharmacists register. The Department has been advised that this requirement may be more realistic for some applicants than the one-year period currently set out in clause (3)(c).

**SECTION 7** amends subsection 10(3) of the regulations to add a requirement for an applicant for registration as a pharmacy intern to provide written verification that the applicant is in good standing with any other professional regulatory body with which the applicant may be registered. The section also amends the subsection to require an applicant to either establish to the satisfaction of the Registrar that he or she has reasonable proficiency in written and spoken English or meet the English proficiency requirements established by NAPRA.

**SECTION 8** amends subsection 11(3) of the regulations to add a requirement for an applicant for registration as a pharmacy student to provide written verification that the applicant is in good standing with any other professional regulatory body with which the applicant may be registered.

**SECTION 9** amends subsection 12(2) of the regulations to correct a section reference.

**SECTION 10** amends clause 13(3)(f) of the regulations to clarify that the practice experience referred to there must meet the requirements of subsection 17(4) of the regulations, and amends clause (j) to require an applicant to either establish to the satisfaction of the Registrar that he or she has reasonable proficiency in written and spoken English or meet the English proficiency requirements established by NAPRA. The section

also amends clause 13(4)(b) to clarify that the work experience referred to must have been acquired under the supervision of a pharmacist or pharmacy technician. Finally, the section amends subsection 13(5) to add a new clause (c.1) that requires an applicant who is transferring here from another jurisdiction to provide evidence satisfactory to the Registrar that he or she has not been convicted of an offence or subject to professional discipline in that other jurisdiction in respect of a matter that in the opinion of the Registrar makes the applicant unsuitable to be registered as a pharmacy technician. This is the same requirement that must be met by applicants from within the province.

**SECTION 11** revokes subsection 14(3) of the regulations and substitutes a new subsection (3) to clarify the requirements for renewal of registration as a pharmacy technician. The section also amends subsection 14(4) to clarify that the requirement in respect of hours of practice is that established in the new clause (3)(c).

**SECTION 12** amends the regulations by adding a new section 14.1 to provide for a term of conditional registration for an applicant for registration as a pharmacy technician who has not been registered in the three years immediately preceding the application. The term of the conditional registration is for six months, and during that time the applicant must acquire the specified practice experience and comply with the other requirements of the section.

**SECTION 13** amends subsection 15(3) of the regulations to add a requirement for an applicant for registration as a pharmacy technician student to provide written verification that the applicant is in good standing with any other professional regulatory body with which the applicant may be registered.

**SECTION 14** amends clause 16(7)(b) of the regulations to correct a section reference and revokes subsection 16(8). That subsection, which establishes the expiry date for a certificate in extended practice, is no longer needed because the duration of certificates will be dealt with by the Council by bylaw.

**SECTION 15** amends clauses 17(2)(a) and (b) and 17(3)(a) and (b) of the regulations to express the required amount of practice experience in hours rather than in weeks.

**SECTION 16** amends subsection 18(2) of the regulations to remove the expiry date of March 31. The duration of registration for pharmacy students, pharmacy technician students and pharmacy interns will be set by the Council by bylaw.

**SECTION 17** amends clause 20(1)(b) of the regulations by adding a requirement that the person who is proposing to act as preceptor must be in good standing with the Council. The section also adds a new subsection (5.1) that prohibits a pharmacist from acting as preceptor to more than 2 persons at one time, and a new subsection (7.1) that imposes the same maximum for a pharmacy technician who is acting as preceptor.

**SECTION 18** revokes clause 23(c) of the regulations. This clause duplicates a prohibition in the Practice of Pharmacist and Pharmacy Technician Regulations, and is not needed.

**SECTION 19** revokes section 28 of the regulations. The Council will adopt standards for the regulated professions by bylaw.

**SECTION 20** revokes Schedule A to the regulations. Schedule A specified the standards being adopted under section 28, which is being revoked.

**SECTION 21** amends Schedule B to the regulations to correct a typographical error.

**SECTION 22** provides for the commencement of the regulations.
