TO: All persons residing in or present in Prince Edward Island; and

WHEREAS a state of public health emergency was declared in Prince Edward Island on March 16, 2020 as a result of the COVID-19 pandemic pursuant to Order in Council EC2020-174, and continued on April 15, 2020 by Order in Council EC2020-254, on May 15, 2020 by Order in Council EC2020-305, on June 15, 2020 by Order in Council EC2020-350, on July 14, 2020 by Order in Council EC2020-435, on August 14, 2020 by Order in Council EC2020-488, on September 13, 2020 by Order in Council EC2020-542, on October 13, 2020 by Order in Council EC2020-603, on November 12, 2020 by Order in Council EC2020-649, on December 12, 2020 by Order in Council EC2020-724, on January 11, 2021 by Order in Council EC2021-1, on February 10, 2021 by EC2021-71, on March 12, 2021 by Order in Council EC2021-138, on April 11, 2021 by Order-in-Council EC2021-271, on May 11, 2021 by Order-in-Council EC2021-407, on June 10, 2021 by Order-in-Council EC2021-494 and on July 10, 2021 by Order-in-Council EC2021-577;

AND WHEREAS in consultation with the Lieutenant Governor in Council, I believe it is reasonably necessary to impose special measures in the Province in order to protect the health of the population;

AND WHEREAS I, as the Chief Public Health Officer, pursuant to subsection 39(2) of the Act, believe on reasonable and probable grounds that:

- (a) a communicable disease, COVID-19, including any new variants of the virus causing COVID-19, exists or may exist in the Province;
- (b) the communicable disease presents a risk to the health of persons in the Province; and
- (c) the requirements specified in this Order are necessary to prevent, decrease or eliminate the risk to health presented by the communicable disease;

AND WHEREAS pursuant to subsection 39(1) of the Act, I, as the Chief Public Health Officer, may require a person to take or refrain from taking any action that is specified in this Order in respect of a communicable disease;

AND WHEREAS pursuant to clauses 49(2)(c.1) and (d) of the Act, I, as the Chief Public Health Officer, may order persons to refrain from entering or attending a public place or premises; to refrain from assembling in a public gathering in a specified area; limit the number of persons who will be permitted to attend a public gathering; or limit the purpose for a public gathering;

AND WHEREAS pursuant to clause 49(2)(g) of the Act, I, as the Chief Public Health Officer, may order any other measure that is reasonably believed to be necessary for the protection of the health of the population during the public health emergency;

AND WHEREAS the reasons for this Order are the global COVID-19 pandemic, the health risks posed by the pandemic, including health risks posed by new variants of the virus causing COVID-19, and the necessity to prevent, decrease or eliminate those health risks;

AND WHEREAS testing and isolating individuals who test positive for COVID-19, and any variants of concern, will prevent transmission of the virus and the associated illness and death and protect Prince Edward Island's health care system;

AND WHEREAS, at the time of making this Order, recommendations from the National Advisory Committee on Immunization inform that first doses of currently authorized COVID-19 vaccines in Canada have been shown to offer at least short-term protection against COVID-19 disease and that approximately two weeks after receiving a completed series, authorized vaccines have been shown to be highly efficacious in the short term against confirmed symptomatic COVID-19 disease, appear to be efficacious against severe COVID-19 outcomes such as hospitalization or death and may reduce asymptomatic infection and transmission of the COVID-19 virus;

AND WHEREAS pursuant to subsection 56(1) of the Act, I, as the Chief Public Health Officer, may require any person to provide information that the Chief Public Health Officer reasonably considers necessary to:

- (a) assess the threat that a disease presents to public health and plan for and address the threat; or
- (b) evaluate and monitor the health and safety of the general public.

AND WHEREAS pursuant to section 60 of the Act, a public health official may request assistance from a peace officer in conducting an inspection, investigation, inquiry, search or in enforcing an order made under the Act;

AND WHEREAS pursuant to subsection 61(4) of the Act, no person shall knowingly provide false or misleading information, either orally or in writing, to a public health official;

- (d) Persons who are household members of a person who is self-isolating as a result of potential exposure to COVID-19 (such as history of travel or a close contact with a positive case) shall self-isolate for a period of 14 days or for a period of 8 days if history of travel was domestic from the last day of contact with the person who is self-isolating unless the person who is self-isolating, while staying in the same residence:

- (e) Persons travelling into the Province from outside Canada on and after June 17, 2021 shall self-isolate for 14 days from their date of entry to the Province or for the duration of their stay in the Province (if shorter than 14 days), regardless of whether a negative test result for COVID-19 is received during that period.
- (f) Notwithstanding clause (e), persons travelling into the Province from outside Canada on and after June 17, 2021 who are not required to quarantine or self-isolate after entering Canada pursuant to any Order of the Government of Canada under section 58 of the *Quarantine Act* (Canada) shall self-isolate for 8 days from their date of entry to the Province or for the duration of their stay in the Province (if shorter than 8 days), regardless of whether a negative test result for COVID-19 is received during that period.
- (g) Persons travelling into the Province from within Canada on and after June 27, 2021 shall self-isolate for 8 days from their date of entry to the Province (including, subject to the federal requirements, if the person is travelling into the Province after having completed part of the quarantine or self-isolation required pursuant to any Order of the Government of Canada under section 58 of the *Quarantine Act* (Canada) in another province or territory) or for the duration of their stay in the Province (if shorter than 8 days), regardless of whether a negative test result for COVID-19 is received during that period.
