EXPLANATORY NOTES

SECTION 1 defines terms used in these regulations.

SECTION 2 designates occupational therapy as a regulated health profession and prescribes it as a regulated health profession that does not have a distinct and identifiable scope of practice so that the prohibition in subsection 2(3) of the Act does not apply to the practice of occupational therapy. It sets out titles, abbreviations and initials that are included in designations of an occupational therapist.

SECTION 3 continues the Prince Edward Island Occupational Therapists Registration Board as the College of Occupational Therapists.

SECTION 4 divides the register into three parts: general registration, provisional registration and special registration.

SECTION 5 sets out the circumstances in which an applicant is to be registered in the general registration part.

SECTION 6 sets out the circumstances in which an applicant is to be registered in the provisional registration part. It requires that an occupational therapist registered under that part be supervised in practising occupational therapy by an occupational therapist registered in the general registration part. It provides for the occupational therapist to be registered in the general registration part upon satisfaction of the term or condition imposed on him or her as a provisional registrant. It provides that registration in the provisional registration part is not subject to renewal or reinstatement.

SECTION 7 sets out the circumstances in which an applicant is to be registered in the special registration part. It also provides that registration in the special registration part is not subject to renewal or reinstatement.

SECTION 8 sets out the prescribed educational requirements for occupational therapy.

SECTION 9 sets out the required examinations for registration in the general registration part of the register.

SECTION 10 sets out options for demonstrating currency of professional knowledge and skills and empowers the Council to require an applicant who does not demonstrate currency to take a refresher program.

SECTION 11 sets out requirements with respect to professional liability insurance for applicants or occupational therapists, as the case may be.

SECTION 12 sets out continuing education and competency requirements for renewal of registration in the general registration part and empowers the Council to require an applicant who does not meet these requirements to fulfill other requirements. It also requires occupational therapists to keep a record of their continuing education and competency activities and provide a copy to the registrar on request.

SECTION 13 provides that a former occupational therapist may apply for reinstatement of registration if his or her registration has lapsed for less than three years.

SECTION 14 requires that the name of a corporation applying for a permit to carry on the business of providing the services of an occupational therapist shall be, in the opinion of the registrar, in good taste, dignified and professional. It requires a health profession corporation to obtain written confirmation from the registrar that any proposed name change meets those requirements.

SECTION 15 revokes regulations made under the former Act governing occupational therapists.

SECTION 16 provides for the commencement of these regulations.
