

welcome to SOURIS REGIONAL HIGH SCHOOL

Grades: K-12

Population: 514

INTRODUCTION

We are proud to be the only K-12 school in the Public Schools Branch! In our picturesque town, you will find natural natural beauty where the land, sea and sky meet with beautiful beaches, hiking trails and breath taking views of the Northumberland Strait. Nature provides plenty of outdoor recreation for water sports and cross country skiing in winter. We have a vibrant fishing community and agricultural industry.

SCHOOL MISSION/ PHILOSOPHY

Our goal at Souris Regional School is to increase student and staff engagement and learning, educator professional growth and family and community communications. We want to share the day to day learning and activities that take place in our building, and foster a sense of community among all students and staff. Souris Regional School is a place where everyone belongs and has the opportunity, tools and support to not only succeed, but excel!
