

welcome to WESTISLE COMPOSITE HIGH SCHOOL

Grades: 10-12
Population: 540

INTRODUCTION

Westisle Composite High School is located in Elmsdale, PE which is central to all of the communities that it serves in the West Prince County area. From North Cape to Tyne Valley you are never very far from experiencing our beautiful beaches and coastal areas. With access to walking and biking trails both along the coast and inland, we have opportunities to be active and to enjoy nature around every corner. Mill River Resort is in the heart of West Prince and provides services such as their 18 hole golf course, beach volleyball courts, walking/biking trails as well as many winter activities including skiing, snow shoeing, sledding and skating. Each community is also home to their own community arena that supports hockey and skating in the winter with local festivals in the summer.

SCHOOL MISSION/ PHILOSOPHY

Our mission is to empower students to become life-long, self-directed learners, adopt positive community values and manage change.
